

SPECIFICATIONS

TOWEL HANGER

DESIGN	Nichlas B. Andersen
YEAR	2017
ORIGIN	Denmark
MATERIAL	3mm powdercoated steel

GENERAL CARE Keep powder coated surfaces clean and dry. Use a lint-free cloth for general cleaning with hot water and perhaps a mild soap. This applies to both smooth and rough surfaces. Occurs spots from oil or other dirt it is recommended to use alcohol or glass cleaner on a lint-free cloth. Afterwards it is recommended to clean the product again with clean hot water.

PRODUCT	ITEM NO.	EAN CODE
TOWEL HANGER - Black	L100102	5713539000452
TOWEL HANGER - White	L100102W	5713539000636

MOUNTING Different wall materials require different types of fixing devices. Using the right fixing devices secures the stability and load bearing capacity of the product. If you are uncertain about what type of screws or fitting to use, please contact your local hardware store. It is important to use all shown holes when mounting the products. To create the best result, we recommend using screws that are painted in the same color as the products. We don't take responsibility for the mounting and following safety of installation.
